

EMECIS Selection Criteria Agreement

I – SELECTION PROCEDURE

Students will upload her/his application in the website provided by the institutions. Applicant students must upload their application forms and all the above required documents no later than February. In any case to be admitted to the EMECIS Master course students must obtain their first level degree (bachelor or BAC+3) no later than December 31st.

A joint UTC/UNIGE selection committee will evaluate all the EMECIS candidates and define the admission threshold for each students' intake.

UTC and UNIGE will evaluate all the EMECIS candidates locally. The final selection mark will be obtained by taking the average of the marks of the two institutions.

Each Academic Year up to 5 students for each University will be selected to be admitted in the EMECIS.

Selection results will be published in March (in any case in time for "Erasmus + mobility for all" selection)

II- FORMAL CRITERIA FOR ADMISSION TO THE COURSE:

- A. Academic potential (class rank, GPA,...): max. 40
- B. Relevance of first degree to EMECIS: max. 10
- C. English level: max. 15
- D. Motivation letter: max. 5
- E. Other aspects of Curriculum Vitae (multiple degree, work experience, professional qualification): max. 5

III- RULES APPLIED BY THE SELECTION COMMITTEE IN THE EVALUATION:

A. Concerning the Academic potential (max. 40):

Mark EMECIS	Ranking	% of mark	GPA max 4	GPA max 5
40/40	Best 5% of his group	90/100	3.6/4	4.5/5
35/40	Best 10% of his group	80%	3.2/4	4/5
30	Best 15% of his group	75%	3/4	3.75/5
25	Best 20% of his group	70%	2.8/4	3.5/5
20	Best 25 of his group	65%	2.6/4	3.25/5

- Students having less than 20 in this criterion will not be selected.

B- Relevance with EMECIS's programme

The mark 10 could be given for Computer science Computer/Systems Engineering students. For Electrical, Electronic Engineering, who had courses in Automatic Control and Signal processing, the mark should be 8-9. Other bachelor degrees may be evaluated and could obtain up to 6-7.

C. English level (max. 15):

- i- A student whose native language is English will obtain 15,
- ii- A student whose study was in English during all classes: will take 12/15
- iii- A student who has the English proficiency with marks equal to the specified minimum: IELTS 6,5; TOEFL: 220 CBT, 550 PBT, 80 IBT; TOEIC: 780): will take 10/15, the mark will be increased in terms of the difference with this minimum limit. Students can obtain 15 if the mark of English test is significantly higher than the required minimum level
- iv- A student whose university study was partially in English: will take 10/15 under the condition that his marks in the English language course in his university studies are acceptable.
- v- A student with different English certification form the above listed ones can have as maximum 8/15.
- vi- A student without any English certification will get 0/15 and not to be qualified for EMECIS

D- Concerning the motivation letter:

Standard motivation letter will be evaluated 3. The point 5 will be given for good letters. In this evaluation the EMECIS management do not pay attention to the English quality.

E- Concerning the CV

Standard student CV will obtain 3, the mark 5 will be given if the student had some unusual performances; prices, languages of one of the consortium's country, participating competition, etc. The quality of the institution or the academic performance will not be taken into account her.
